I am confident that their sincere effort and dedication will gather laurels in the endeavor and come to the expectations of all parents and guardians in this region.

Mrs. Anu Gupta

Aim for success, not perfection. Never give up your right to be wrong, because then you will lose the ability to learn new things and move forward with your life. Remember that fear always lurks behind perfectionism.

Message from Principal

When I came to know about the venture undertaken by a very dynamic and dedicated Nagar family who are determined to bring the school up to the highest standard in the region and to inculcate Indian culture and values among the children right from the early childhood I became sure that the forgotten values of our rich culture will certainly get new strides. When I was offered the opportunity, I was tempted to join the unique team to contribute my share of experience, which I have gained while working for about 14 years in the field of education. I am pleased to be associated with Altus International School which will certainly prove to bring reform in the educational system.

Today's discern parents realize the need for child's excellence in all spheres, for which high caliber schooling is required to impart planned, systematic, scientific and socialistic education. The promoters of Altus International School have opted for an educational program, which provides opportunities for multifold growth, make education child centered, pragmatic and career oriented. The school offers high quality education carefully blended with the philosophy and values of rich culture and heritage of India.

Since most of the parents remain busy in their work and do not get time to take care of the studies and homework given to children, the school provides day - boarding facility to such students at a very reasonable cost, The advantages of day boarding classes are :-

1. Very little homework is left, as most of the problems are taken care of in day-boarding classes.

and solve their problem in a much better way than private tutors.
